Leak remedial update

Dear Residents,

I trust you are all well.

Kindly note the Bailey car leak remedial works have been rescheduled date pending due to an emergency leak in the Conrad bin store, which our contractors have now repaired.

We will issue further communications to residents concerning the remedial date pertaining to the Bailey car park leak.

We have left water bottles outside each apartment concerning 28-47 Conrad because our contractors shut down the water while the necessary remedial works could take place.

Apologies for any inconvenience you may have incurred during the water outage, and thank you for your patience.

Kind Regards

Sean
