Main entrance door access systems upgrades

Dear Residents,

I trust you are well.

I am pleased to confirm the below door access systems upgrades have been completed by our contractors successfully.

1. 62-118 Felix
2. 1-28 Boswell

Each resident will have been delivered two main entrance door entry fobs via their post box. However, if you wish to purchase two additional fobs, please contact the below email address with the leaseholder's consent to accept the recharge fees.

Colindale@crabtreeproperty.co.uk

Please note for 62 -118 Felix residents (Only). The door entry systems will be left inactive until the morning to allow residents to gain entry to receive their door entry fobs due to their letterboxes being on the inside of the building.

Should you require access to enter the building from 10:00 am – 18:00 on the 18 November 2021 only, please contact the below number where I will provide access.

07880887641

Lastly, unfortunately, our contractors could not activate the upgraded door access systems listed below because the manufacturer provided the incorrect door fobs. Therefore, the below blocks systems will not be operational until 24 November 2021.

1. 77-115 Conrad
2. 55-72 Galton
3. 1-31 Galton

Thank you for your patience and cooperation.

Kind Regards

Sean
