In the event of a fire, the waking watch officers will block each exit to prevent people from entering, while two officers will use sounders on each floor to alert residents to evacuate the building.

Should residents be required to evacuate the building, please do so safely but quickly as possible.

Please note that the designated evacuation point will be at the estate's rear by the park, as depicted below.

The Waking watch officers only assist in an emergency for all other matters. Please contact the below contact details.

Lastly, please call 999 if a fire is discovered while evacuating safely.

Sean
